

Vocabulary Training: Unit 7 - The Fashion Industry

Part 1: Fashion Industry Terminology

Match the words to form collocations:

1. fashion **industry / magazine / house / show / label / brand / trend / cycle**
2. fast **fashion**
3. second-hand **fashion**
4. bricks-and-mortar **boutiques**
5. high **street**
6. department **stores**
7. mail-order **catalogue**
8. online **stores**

Part 2: Word Families (Fashion Production)

| Verb | Noun (Abstract) | Noun (Person) |

| :--- | :--- | :--- |

| to produce | production | producer |

| to manufacture | manufacturing | manufacturer |

| to design | design | designer |

| to consume | consumption | consumer |

| to transport | transportation | transporter |

Part 3: Who Does What in Fashion?

Define these roles:

- * **Seamstresses:** Sew garments for designers/brands.
- * **Models:** Present clothes on runways or in photos.
- * **Stylists:** Select and combine clothes; advise on trends.
- * **Make-up artists:** Do models' make-up for shows/shoots.
- * **Photographers:** Take pictures of fashion items for advertising.

Writing Task: Essay

Write an essay (approx. 250 words) about the impact of "fast fashion" on the environment and workers. Use vocabulary from this unit.
